Knokke-Heist, 05 SEP. 2011

Concerning: The second golf course at Knokke-Heist.

Dear Sir,

The second golf course at Knokke-Heist has been a point of discussion for many many years and it is real exciting for Knokke-Heist council that we now have plans for the golf course tot be developed.

Royal Zoute is a world class Championship golf course and the second course for Knokke-Heist must come up to the existing very high standards and expectations of golfers visiting the town. The choice of golf architect for such a major development is obviously very important and we spoke with many of the worlds leading golf course designers for this role.

Our choice, following a presentation to the council an myself of the golf course architect Dimitri van Hauwaert was unanimous.

Dimitri Van Hauwaert is a proven golf designer, very professional, thorough and knowledgeable.

His ability to produce accurate photo-realistic plans have been a major help to us in illustrating to councils and non-golfers what is intended.

His proposals for three different character zones, encompassed within an overall 'links' theme is one which we are really excited and we are looking forward to detailing this project with Dimitri Van Hauwaert and watching it develop on the ground.

Yours Sincerly

Jan Van Coillie
Directeur Stadsontwikkeling
